REACH Guideline EC 1907/2006

Status statement: 1st November 2018

To whom it may concern:

According to the European Community Regulation No: 1907/2006 which outlines the Registration Evaluation, Authorisation and Restriction of Chemicals (OJ L396, 30,122006.pp.1-849) here in after referred to as 'REACH'.

REPL declare that they are not a manufacturer of chemicals, substances or preparations covered by the regulations.

We also declare that there are no substances of very high concern (SVHC) which are identified on the "Candidate List" in Annex XIV of the European Chemical Agency Article 59(1) of the Regulation (EC) No. 1907/2006 (European Union REACH) present at greater than 0.1% by weight in any of our products.

REPL are a downstream user.

We hereby confirm to comply with the REACH regulations and ensure ongoing legal compliance for business continuity.

Please note, REPL have a comprehensive list of Material Safety data Sheets (MSDS) referring to any potential hazards associated with the application and use of our products.

If you have any specific questions regarding our product please do not hesitate to contact REPL for further details
